

Making Godly Decisions Pillar Road Map 2.0

What is the Making Godly Decisions Pillar? It is the Pillar that helps us make decisions in step with the Truth of Scripture, God's will, and for God's Glory Alone. We Glorify God in this pillar by:

Month Three (Run) Engage in making Godly decisions in your Every-day Ordinary Life

1. Switch teams and meet at least twice during the month; meet as a pillar once during month three
2. Catch new teammates up on your progress to date and pray together
3. Read through the account of Joseph in Gen 37-47; identify Godly decisions that Joseph made
4. Pray before you move (ask God to order your steps)
5. Discuss the following: "Followers of Christ make decisions that glorify God and reflect His presence in their lives, living in the freedom of Truth through obedience to His Word. They build habits that align their hearts and minds with Christ's teaching. They are able to separate Biblical Truth from worldly falsehood and prayerfully apply their knowledge of Scripture to recognize what God wants from His children and to respond with a spirit of humility that ultimately allows them to be used to draw others to the Truth of the Gospel of Jesus Christ.
6. Continue study on God's will, Truth of Scripture, and Godly decisions using <https://www.gotquestions.org/>

Endstate: Glorify God by devoting ourselves to making Godly decisions in our every-day ordinary life.
